Sir:

Your letter of 9-8-48, re
George HO, file number not shown.

We regret to inform you that we have not been able to locate a departure record during 1918, pertaining to George HO, who claims to have departed with his mother, Sarah John, from this port. For your information we have no departure records for 1918, except for Orientals, and the latter have been searched for the name George HO.

In searching our records we find that one Sarah John, 29; nurse; citizen of Great Britain; race, West Indian; born in Berbes, Guiana; accompanied by Sir Robert HO Tung; arrived here on the Steamer Shinye Maru May 23, 1918.

We also find that Sir Robert HO Tung arrived here May 15, 1933, Steamer President Coolidge, at which time he stated to an officer of this Service that he had ten children and listed them by name. The name George HO is not shown and none of the male children listed fit the description of George HO.

Very truly yours,
